Visual Identity

A name full of meaning. It needed a mark to match.

Dosamores a bakery and pastry shop built around the idea of love, warmth, and coming together. The name arrived with a story. Our job was to make it visible.

The concept: Love + Embrace + Union

**Three words that
shaped every design
decision.**

from the curves in the letterforms to
the warmth of the palette.

DOSAMORES

PASTELERÍA Y PANADERÍA

Sweet, not sugary.

Hot pink meets warm cream.

A palette that feels joyful and premium at the same time — exactly what a place called Dosamores should feel like.

**A brand
ready to apply.**

To packaging,
bags, and labels.
