Web design

Brand identity

Weekly menu system

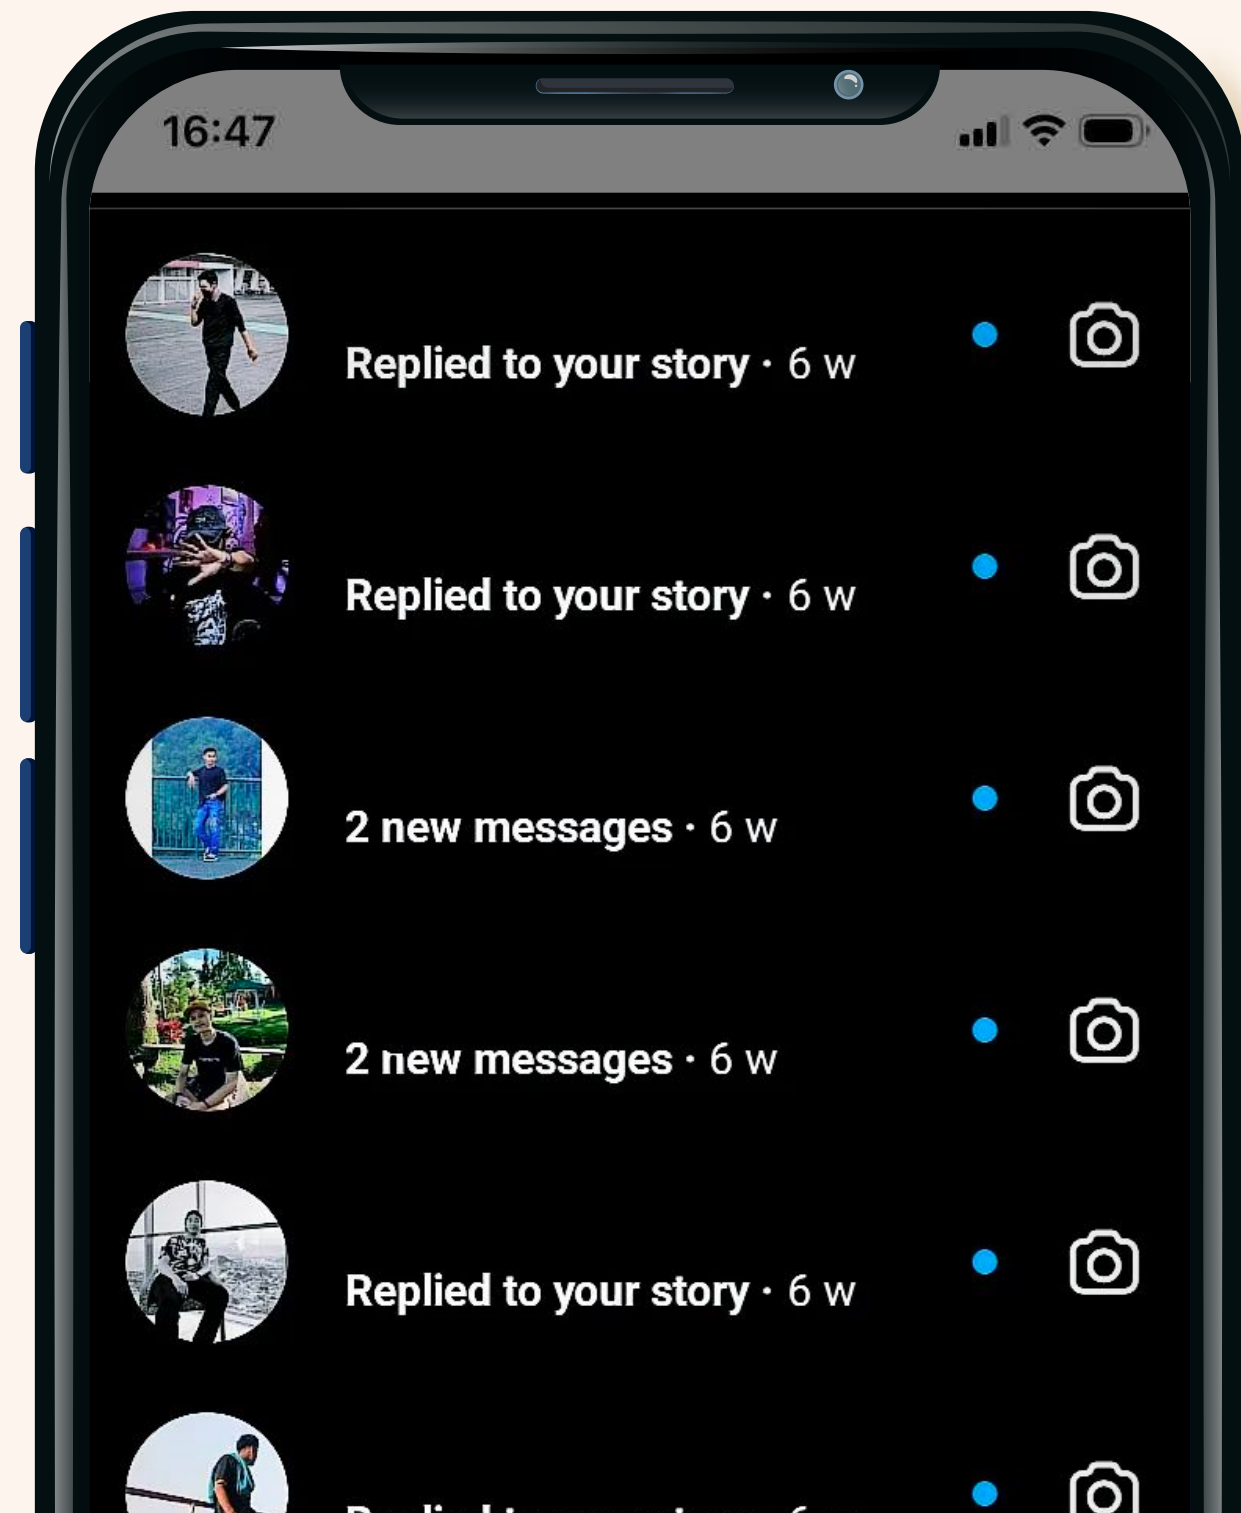

Loyal clients. No website. No menu system.

Kass has been cooking for Miami clients since 2023. Meal prep, private dinners, events. The food and the clients were there. The website wasn't.

From Instagram DMs to a **digital menu.**

Before

Orders and menus through DMs.

After

A live menu, updated by Kass every week.

> **Mobile
first design**

> **90/100
Page speed**

PRIVATE DINING & EVENTS

Thoughtfully curated dining experiences, wherever the occasion.

Intimate dinners, family gatherings, birthdays, brunches, bridal showers, and special celebrations — designed and prepared by Chef Kass.
